Project Name: FOOTBALL OPERATIONS FACILITY

Project Number: H27-6114-MJ

Project Location: Columbia, SC

Bid Security Required: Yes **Performance Bond Required:** Yes **Payment Bond Required:** Yes

Construction Cost Range: \$38 - \$42 M

Description of Project: The University of South Carolina intends to select a Construction Manager at Risk (CM-R) to provide comprehensive pre-construction and construction services for the new Football Operations Facility. The proposed Football Operations Facility is to be located at the west end of Gamecock Park located across from Williams-Brice Stadium at 1001 Bluff Road, in the vicinity of the football indoor practice facility and the outdoor practice fields. The new building will be approximately 110,000 gsf and will include a weight room, training facility with hydrotherapy components, locker rooms, meeting rooms, equipment storage areas, food service and office facilities. The building is anticipated to be a two or three-story structure designed with high-end finishes, dynamic graphics and top-quality technology. The exterior of the building will encompass architectural features similar to those used elsewhere in Gamecock Park and the construction will include utilities, landscaping design and parking facilities. The building will meet the state requirements for sustainable design through either the LEED or Green Globes process.

The selection of the CM-R will comply with the guidelines of the South Carolina Procurement Code and Regulations and the Manual for Planning and Execution of State Permanent Improvements – Part II. The overall procurement will be a two-step process consisting of a Request for Qualifications (RFQ) followed by a Request for Proposals (RFP).

It is desired to start construction in early 2017, with a completion date in the summer of 2018, such that all 2018 football season activities will be conducted in this new facility. Additionally, it is desired to include small, minority and women owned business enterprises on the construction team.

SPECIAL CONSIDERATIONS FOR CM AT-RISK - SC Code Ann § 40-11-320 and Reg.s 19-445.2145(N): Firms seeking CM-R work must be registered both as a construction manager and as a general contractor with the SC Contractor's Licensing Board. The construction manager at-risk's General Contractors license must have a license group designation that will allow the construction manager at-risk to provide 100% Performance and 100% Labor and Material Payment Bonds for the entire project.

Public Notice: All notices (Notice of meeting, notice for Selection for Interviews, Notification for Selection for Contract Negotiation) will be posted on the following website: <http://purchasing.sc.edu/>. Contractor may be subject to performance appraisal at close of project.

Bidding Documents / Plans May Be Obtained From: Interested parties may obtain a copy of the RFQ at the following website to review specific submittal requirements and format: <http://purchasing.sc.edu/>

Note: Bidders must obtain bidding Documents/Plans from the above listed source(s) to be listed as an official plan holder. Only those bidding documents / plans obtained from the source(s) are official. Bidders that rely on copies of bidding documents / plans obtained from any other source do so at their own risk. All written communications with official plan holders & bidders will be via email or website posting.
